

Release agreement lecture recording, password-protected concerning rights of use (copyright, image and voice)

As the author of my lecture and owner of my personal rights (right to picture and voice) I

Name, first name: _____

University/institution/company: _____

Address: _____

Email: _____

hereby grant **ETH Zurich, ITS Infrastructure**, the permission to **transmit** and **record** my lecture

Semester: _____

including slides and/or presentations, **process** and **store** the recording, and distribute it in different formats and channels via www.ethz.ch in a password-protected mode. Any other form of publication requires a separate agreement.

I am responsible for the content of the lecture. I **certify** that I am entitled to use all documents, texts and images. Where this is not the case, I certify that I use third party materials in accordance with quotation right and reference the sources with due diligence. Hence, I **warrant** that the documents that I present do not infringe any third party rights.

I **agree** that the recording of my presentation will be archived and permanently available under the terms agreed. I can request the deletion of my video at www.video.ethz.ch by sending an e-mail to multimedia@id.ethz.ch. The removal does not encompass copies already made by third parties during the time of the publication.
